Description

Built in 2021 and backing up to a lake, this 4-bedroom, 2-bath pool home puts open water behind the screen cage and no rear neighbors in the view. The great room plan runs straight through to the lanai. The kitchen has stone countertops, a large center island, walk-in pantry, stainless appliances and white shaker cabinetry — a layout that works as well for entertaining as it does day to day. The primary suite sits at the back of the house with dual sinks, an oversized tiled shower and a large walk-in closet, set apart from the three guest bedrooms grouped toward the front. One of those converts easily to an office or flex room. Tile through the main living areas, laminate in the bedrooms. Outside: screened below-ground heated pool, covered lanai with Southern rear exposure which keeps sun on the pool most of the day. Two-car garage, manual storm shutters, central water and sewer, reclaimed irrigation. HOA is $285 quarterly with no CDD, non-gated with sidewalks. Up to three pets, breed restrictions apply. Easy access to shopping and I-75, and minutes from the Southwest Florida Eagle Cam nest on Bayshore Road.
