Rare canal-front 4-bedroom, 2-bath home situated on an oversized lot with mature trees, exceptional privacy, and generous outdoor space that is increasingly difficult to find in many newer homes. Recent updates include a renovated kitchen (2020) with an updated cooktop, refrigerator, and sink, a beautifully renovated primary bathroom with a new vanity and updated shower area, fresh interior paint, new flooring, a new A/C system, and a new roof. The home is connected to public sewer, features copper plumbing, and is located outside the FEMA Special Flood Hazard Area. The spacious backyard overlooks the canal, creating a peaceful setting for relaxing, entertaining, or enjoying Florida’s outdoor lifestyle. With four bedrooms, a functional layout, and an oversized lot, this home offers a rare combination of space, privacy, recent updates, and exceptional value. A current wind mitigation report is available for buyer review.
