Description

This sturdy 3 bedroom/2 bathroom CBS home, which is perfectly positioned on a cul-de-sac in Port LaBelle, has so much to offer. Vaulted ceilings, a bold accent wall, recessed lighting and luxury vinyl plank flooring are just a few of the features found throughout the home which also boasts a split floor plan. The kitchen, which adjoins a spacious living/dining area, boasts stainless steel appliances, ample cabinet and counter space and a large island - perfect for entertaining. The master bedroom has a walk-in closet and a well-appointed ensuite including dual sinks and a custom-look vanity. One of the bedrooms could be used as a home office for those who work from home, or a media room to be enjoyed by the whole family. The separate laundry room has both a washer and dryer (that convey with the sale) and provides additional storage space as does the attached 2 car garage. The home also sports a screened-in entryway (under truss), impact resistant windows and best of all, a nice water view provided by the canal that runs along the back of the property.
