Description

Incredible Value! Such a deal for someone wanting to live their island dream! This property was purchased for 280K 5 years ago, the Sellers are very motivated! Design your dream home from the ground up with every detail, just how you imagined it. But the real magic?? Morning laps just steps away in the sparkling community pool (hello, low-impact cardio and instant refresh). Afternoon rallies on the tennis courts (your built-in stress relief + social time). Evening strolls to your private community beach access (no crowds, no parking stress, just sand, serenity, and sunset skies). Now you find out that you can start this dream...at a dream price!
