Description

Located in East Naples within the gated community of VeronaWalk, this DiVosta built, four bedrooms/three bath Carlyle floor plan home is being offered for sale. A screened, front veranda with tile floor leads to a glass door that opens to your tour of this lovely, executive home. The light filled formal living room with a wall of windows has a welcoming fireplace. An adjacent dining room with kitchen pass thru provides ease when entertaining. The open kitchen with large counter is central to another dining area and a comfy family room. Major mechanicals include a two-year-old A/C, pool pump and pool heater. The full laundry with sink and abundant storage leads to your attached two-car garage. Double entry doors open into the primary suite. A hall of closets leads to the ensuite bath with dual entry shower, double vanities and a deep soaking tub. Guest bedrooms/baths are located on other wings of the home for the utmost in privacy. The rear of the home is glass for exceptional indoor/outdoor living. A covered lanai adjoins the screen enclosed lounging deck surrounding a refreshing, rectangular pool. Mature foliage offers privacy but allows for a water view. For hurricane protection an electric shutter closes the lanai with simplicity. With furnishings included, your move to Naples can be almost stress-free.
