Description

Kelly Greens is a private, resident-owned bundled golf community designed by Gordon Lewis. Beautifully renovated clubhouse with bar and several dining options (both casual & fine), tennis, pickleball, community pool, fitness center and pro shop. Active community with events, clubs & activities. This gated community is located minutes from the beaches of Sanibel and a short drive to Fort Myers Beach. This turnkey condominium offers a large screened balcony overlooking the golf course. Top floor unit, covered carport and extra storage are also part of this package. Ready to winter or live year round in this active community, call for your private showing today!
