Description

Welcome to this stunning estate home in the gated community of Casa Del Lago in Fort Myers, FL. Lined with majestic, mature palms, this established neighborhood is just a short drive from shopping, dining, and everything you need. A private courtyard entry leads to a separate one-bedroom, one-bath cabana, ideal for guests or a home office, set apart from the main house and centered around a heated saltwater pool with a cascading waterfall feature. Inside the main residence, an open floor plan offers vaulted ceilings, tile flooring, crown molding, and a spacious kitchen with a large island, breakfast bar, built-in double ovens, and a cooktop. The primary suite features tray ceilings, his and hers walk-in closets, and an en-suite bath with a soaking tub and glass walk-in shower, while two guest bedrooms share a convenient Jack-and-Jill bathroom, one of which includes a Murphy bed for added flexibility. An oversized screened back lanai offers a stunning Florida preserve backdrop with total privacy and no rear neighbors, complete with outdoor granite countertops, a blank slate ready for the ultimate outdoor kitchen. Residents also enjoy a clubhouse, community pool and spa, tennis courts, and more. This home offers privacy, luxury, and lifestyle all in one.
