Description

Custom Stonewater with Loft in gated The Place at Corkscrew This is the move-in-ready home relocating buyers fly down hoping to find and almost never do. Most homes at this price make you choose - space or condition, a real office or a fourth bedroom, a lot or a location. This one doesn't. 3,876 sq ft. 4 bedrooms, 4 full baths, every one of them a suite. Main-level owner's suite, plus a private den built for a real work-from-home setup, not a desk in a corner. The chef's kitchen and oversized island anchor a coffered-ceiling great room that pockets open to a screened lanai with heated pool, separate dining and lounge zones, and mature tropical landscaping. Indoor-outdoor living the way it's supposed to work. Two main-floor guest suites with private baths for visiting parents or grandkids so nobody's sharing a bathroom. Upstairs, the loft with pool table and a fourth en-suite bedroom run as a completely separate wing: Your Teenager, a live-in, or a rotating cast of season guests, and nobody crosses paths. Newer systems and appliances, impressive whole-home propane generator, and whole-house surge protection so when the power goes out on Corkscrew Road, this house doesn't notice. Then there's the amenity campus: coffee at the café, pickleball before it gets hot, the 100-ft waterslide pool by noon, dinner at one of two restaurants or the bourbon bar without getting in the car. Spa, marketplace, expansive fitness center, tennis, bocce, playground, dog park, 24/7 gated security. Coconut Point, Miromar Outlets, RSW, and Gulf beaches all minutes

away. Rental history available for buyers not going full-time yet. One closing. One decision. Bring a suitcase.
