Description

Lakefront living with a story to tell. One-of-a-kind Carrington with 2 bedrooms plus a den and 2 bathrooms was customized by its original owner and allowed for the largest Carrington model offered in the cascades with 1810 sqft. The result is more living space and extra-wide sliders that pull in natural light and open directly to tranquil lake views. It’s one you’ll want to see in person. Custom Craft room right off the garage area. The kitchen and baths showcase tall 42-inch cabinetry, and the kitchen features GE appliances and granite counters and full granite backsplash. Key updates are already done, including an air conditioning system only 2–3 years old, plus accordion hurricane protection and a custom glass entry door that sets the tone the moment you arrive. Furnishings are negotiable, making it easy to move in and start living the Florida lifestyle right away. The Cascades is a gated 55+ community in the heart of Estero, with a freshly modernized clubhouse at its center. Swim in the resort-style heated indoor/outdoor pool, unwind in the spa or sauna, stay active in the fitness center or on the pickleball, tennis and bocce courts, or gather for billiards, cards, crafts and events planned by the full-time activities director. Shopping, dining, RSW airport and Gulf beaches are all minutes away.
