Description

FULLY FURNISHED WITH $40,000 WORTH OF FURNITURE INCLUDED IN THE SALE! This 3-bedroom plus den, 2-bath Northwest Cape Coral home is move-in ready, with a heated saltwater pool, sunny southern exposure, and an outdoor kitchen on an expansive screened lanai. Spend the afternoon on the pool’s sun shelf, enjoy the sound of the water feature, and cook dinner outside while your guests gather around the table. An outdoor shower makes it easy to rinse off after a swim, and the backyard is fully fenced. Inside, porcelain tile runs throughout the home, complemented by quartz countertops, tray ceilings, and custom closets. The split-bedroom layout gives the spacious primary suite added privacy, and direct lanai access lets you step right out for a morning swim. The suite also features two walk-in closets and a spa-inspired bath with a walk-in shower. A separate den gives you space for a home office or hobbies while keeping both guest bedrooms available. A metal roof, hurricane-impact windows, and a whole-home reverse osmosis system are standout upgrades. A wheelchair-accessible layout and an epoxy-finished garage floor add everyday convenience. Located near the Spreader Waterway, Coral Oaks Golf Course, and Burnt Store Road, the home offers convenient access to boating, golf, shopping, dining, and the Seven Islands area.
