## Description

An immediate golf membership is available! A car enthusiast's dream meets a designer's unique touch, welcome to 5031 Groveland Terrace in Quail West Golf and Country Club. Pull your supercars into one of six fully temperature-controlled garage spaces before entering this timeless five-bedroom, six-bath home. Remodeled in 2015 with a building addition seamlessly tying into the original residence, every detail has been meticulously maintained. Through the foyer, one's eye is drawn to the trifecta of views: lake, lush landscape and golf course, each with diverse perspectives from every room on a 0.84-acre estate lot. The graciously sized primary suite was extended with a stunning sunroom with a gas fireplace and a wall of sliding doors granting access to the travertine tile lanai. Each secondary bedroom features large walk-in closets. The designer custom cabinetry continues throughout each bath, designed uniquely from the tile down to the custom hardware. Complementing the interior living spaces under the newly screened lanai, an expansive patio with a saltwater pool and spa sits centered between sitting, dining and relaxation areas. Andersen impact windows/doors and a whole-home Kohler generator.
