Description

Nearly new construction on an OVERSIZED three-lot site in Southwest Cape Coral! Built in 2024, this 3-bedroom + den, 3-bath home offers 1,966 square feet of living space with a bright, open layout designed for both everyday living and entertaining. Vaulted ceilings add to the sense of space, while the kitchen features granite countertops, stainless steel appliances, a large island, and a wine cooler. The split-bedroom floor plan includes a versatile den that can be used as a home office, media room, or flex space, along with three FULL bathrooms for added convenience. Tile flooring throughout, impact-resistant windows and doors, and a 2-car garage add to the home’s functionality Outside, the oversized 15,638-square-foot lot gives you something many newer homes don’t: room to spread out. Enjoy the open lanai and spacious backyard with plenty of room for a future pool and outdoor living area. The home is also connected to central water and sewer and has no HOA. Conveniently located in Southwest Cape Coral near shopping, dining, and major roadways, this home combines newer construction, flexible living space, and an unusually large homesite. If you’ve been looking for a newer home without giving up yard space, this one is worth seeing.
