Plantation shutters, designer lighting and modern fixtures complement the refined interior finishes throughout. The screened lanai offers peaceful tree-canopy views and glimpses of the community water feature, creating a tranquil backdrop for relaxing or entertaining. Impact-resistant windows and doors provide added peace of mind, while motorized hurricane screens on the lanai offer additional storm protection and function as convenient sunshades for year-round comfort. The primary suite serves as a private

retreat with direct lanai access, a comfortable sitting area and a spa-inspired bath featuring a freestanding soaking tub, large walk-in shower and a custom-designed walk-in closet with built-in organizers. New upgraded showerheads have been installed in the primary bath and en-suite guest bath, while a Comfort Home instant hot water system adds everyday convenience and efficiency. Two guest suites offer exceptional privacy and comfort, each featuring spacious walk-in closets to provide an inviting experience for family and visitors alike. Additional highlights include a generously sized laundry room with a utility sink and extra cabinetry, an epoxy-finished two-car garage, convenient guest parking directly across from the driveway, a private elevator and electric hurricane screens.
