Description

Space, versatility, and opportunity on an approximately 0.675-acre property in North Fort Myers. The property offers three bedrooms and three bathrooms, a split-bedroom layout, tile flooring, and an island kitchen. Additional structures and generous parking areas provide room for storage, hobbies, and workshop needs, subject to applicable zoning and permitted uses. A separate unfinished building offers potential for a future owner to complete after verifying all required approvals. County records show 2,805 sq ft under air; additional porch, garage, and outbuilding areas are separate from living space. Buyers should verify the condition and completion status of all structures, measurements, permits, zoning, and intended uses.
