Description

Welcome home to Coral Bay, where modern design meets everyday comfort. This luxurious three-bedroom, two bath residence with a two-car garage offers a thoughtfully designed layout and high-quality finishes throughout, with a beautiful lake view. The open concept kitchen is both stylish and functional, featuring IMPACT GLASS windows and doors, solid surface countertops, a large center island, stainless steel appliances, and light shaker style cabinetry, along with a spacious walk-in pantry. Impact resistant windows and sliding glass doors provide peace of mind while allowing for abundant natural light. The primary suite serves as a private retreat with dual vanities, solid surface countertops, and a walk-in shower. Additional highlights include a private foyer entry, a dedicated den with door and closet—ideal for a home office or flex space—a separate laundry room, and a well-designed great room perfect for gathering and entertaining. Coral Bay is a gated single family home community ideally located near I-75, downtown Fort Myers River District, charming downtown Punta Gorda, shopping, boating, medical facilities, and more. Residents enjoy a fully open amenity center featuring a clubhouse with fitness facility, resort style pool, bocce, pickleball and tennis courts, and a tot lot.
