Welcome to Islands End 502, a beautifully updated 2-bed, 2-bath beachfront condo located on the relaxed and highly desirable southern end of Fort Myers Beach. From this fifth-floor residence, you'll enjoy sweeping views of the Gulf of Mexico, Big Carlos Pass, Lovers Key, and the peaceful bird sanctuary right below—an unbeatable backdrop of nature, water, and wildlife. Inside, the condo offers a bright, coastal feel with a spacious layout. The kitchen features granite countertops, white cabinetry, and plenty of room for cooking and gathering. Just beyond is a dining area with seating for six, flowing into a comfortable living room perfect for unwinding after a day at the pool or beach. Step out onto the screened-in balcony, where morning coffee comes with soft Gulf breezes and evenings are made for sunset views and a glass of wine. The primary bedroom offers a king-sized bed, soothing coastal colors, and a beautiful Gulf view. The en-suite bath includes granite countertops, a walk-in shower, and a spacious walk-in closet. The guest bedroom features twin beds and the same inviting coastal palette, with an updated guest bath offering a tub/shower combo. Additional conveniences include in-unit laundry with a stackable washer/dryer and an assigned parking space. Outside, the building sits directly on the sand with a sparkling beachfront pool, plenty of lounge chairs, and BBQ grills for easy outdoor dining. You're just moments from local favorites like Flippers on the Bay, and a short distance from Santini Marina Plaza with shops and restaurants. A quick drive south brings you to

Bonita Springs and Naples, making this one of the most perfectly positioned condos on the island. Islands End 502 delivers the ideal blend of tranquility, convenience, and true Gulf-front living.
