Description

This spacious 3-bedroom, 2-bathroom residence offers 1,747 square feet of living space featuring an open-concept living area and a large kitchen with a breakfast bar, separate dining room, and brand-new appliances. The split-floor-plan layout positions the primary suite for maximum privacy, complete with an attached full bathroom, a large walk-in closet, and a separate linen closet. Additional interior features include a dedicated laundry room equipped with a brand-new washer and dryer. Significant mechanical and structural upgrades include a newer roof, a brand-new water system, a newly finished garage floor, and a recently serviced and maintained HVAC system with an available service record. Situated in Flood Zone X, the property offers favorable insurance positioning.
