Description

Enjoy the benefits of newer construction in an established, great neighborhood. This beautiful home has plenty of room to roam with more than 2000 sq ft under air and city water and sewer already there and paid for! There is a new stove and dishwasher and in addition, the AC and roof were replaced in 2023 from hurricane. Peaceful neighborhood with a well maintained home in a highly desirable central location makes this house a great choice! See confidential comments below for additional incentives.
