Description

This brand new construction house is ready for you to make it a home. The finishing touches with this beauty start outside with the paver driveway with pavers that leads you all the way to the front door. Amazing open concept design with tile floor throughout, no mismatching floors here. The kitchen has all new stainless steel appliances and quartz countertops to go along with the perfectly blended cupboards. The long kitchen island gives you plenty of counter space to utilize. Convenience galore with having not just one, but two bedrooms that have their own private bathroom. No need to deal with shutters as this home comes with impact windows and doors, plus it is NOT IN A FLOOD ZONE. Homeowners insurance is typically much cheaper too with impact windows and doors, especially with no flood insurance being required, so be sure to mention that to your insurance provider! You even have a rear covered lanai space to relax on. Come experience the convenience stress free life that is a new contruction home.
