Description

Perched on an elevated concrete block foundation, this beautifully reimagined townhome perfectly blends modern luxury with peace of mind. Inside, high ceilings, an airy open-concept floor plan welcomes you with stunning wide-plank luxury vinyl flooring flowing throughout. The chef-inspired kitchen boasts sleek quartz countertops and a massive island with comfortable seating for four or more—ideal for entertaining. Both the primary and guest spaces feature two bedrooms and two fully renovated, spa-like bathrooms. The impressive updates continue outside with a brand-new roof, a sweeping yard showcasing designer landscaping, and a newly installed irrigation system. Every detail has been taken care of—all you need to do is move in. Seller financing available.
