Description

Where sophisticated coastal design meets the beauty of the Gulf, Beach Home 24 presents an exceptional island retreat within the gates of South Seas on Captiva Island. Completely renovated, reconfigured and expanded to nearly 2,400 square feet, this professionally designed and furnished home offers four bedrooms, four-and-a-half baths, sweeping Gulf views and a distinctive floor plan designed for entertaining and relaxed island living. The showpiece kitchen features an impressive 11-foot-plus island, Vadara Sereno Gold quartz countertops, honed marble backsplash and premium Thermador appliances, including an integrated refrigerator and 48-inch Pro Harmony gas range. An adjoining bar with Zephyr refrigerator drawers, built-in wine refrigerator and brass sink creates an inviting setting for gathering with family and friends. Each bedroom enjoys a private en-suite bath, offering exceptional comfort and privacy. The main level includes a primary suite, junior suite and twin suite, while the upper-level primary retreat opens to a private sun deck with sweeping Gulf views. Beautifully finished baths feature mosaic marble floors, honed marble shower walls and thermostatic shower systems with body sprays. Engineered hardwood floors, custom shiplap and board-and-batten accents, impact-rated windows and doors, and a new 2025 standing-seam metal roof reflect the attention to detail throughout. From its thoughtfully curated furnishings to its seamless connection with the coastal surroundings, Beach Home 24 celebrates the art of Captiva

living, where timeless style, exceptional craftsmanship and unforgettable Gulf sunsets take center stage.
