Description

This one-story home includes many contemporary features and an open-concept design which enhances the wonderful feel of this home. The kitchen includes a large open design that's perfect for bar-style eating or entertaining, a pantry and plenty of cabinets and counter space. Well-appointed kitchen comes with a built-in dishwasher, electric range and microwave. The living room overlooks the covered lanai, which is a great area for relaxing and dining al fresco. Every home includes a smart home technology package!
