Description

This 3-bedroom, 3-full-bathroom residence is built under a modern architectural concept and based on original city-approved plans, situated on a spacious ½-acre lot. The home features a bright open-concept layout with soaring ceilings, abundant natural light, and white ceramic tile flooring throughout, complemented by elegant designer light fixtures and high-quality finishes. The gourmet kitchen offers quartz countertops, custom cabinetry, stainless steel appliances, and a spacious island ideal for entertaining. The primary suite includes a spa-inspired bathroom and custom-designed walk-in closets. Additional highlights include a full bathroom with direct access from the garage, a laundry tub in the garage, and a side exterior door providing convenient outdoor access, along with an approved option for an addition (anexo) per original plans filed and approved by the city. The property modern layout, design quality, and construction standards as the original model, offering a seamless blend of functionality, flexibility, and contemporary style.
