Description

Welcome home to Majestic at Kings Greens! This bright, well-kept 3 bedroom, 2 bath second-floor condo is move-in ready and waiting for you. Sunlight fills the spacious, open layout, creating a warm and inviting space you'll love coming home to. The big-ticket items are already done: newer AC, newer water heater, newer flooring, and a newer garage door opener, so you can settle in without worrying about costly repairs. Here's the best part: the seller is willing to finance! With acceptable terms, the seller may act as the bank, so you could buy this home without going through a traditional mortgage lender and with a lower interest rate! That can mean more flexibility and a smoother path to ownership. Ask your agent for details. Whether you're looking for a full-time residence, a seasonal getaway, or a smart investment, this one checks the boxes. Enjoy easy, low-maintenance condo living in a desirable community just minutes from shopping, dining, schools, and everyday conveniences. Opportunities like this don't come along often, so schedule your showing today!
