Description

Solid build-ready lot in South Lehigh Acres on a paved public road, close to Eisenhower Boulevard with easy access to State Road 82. New construction has already arrived on this street — two brand-new homes recently closed just blocks away at $279,000 and $290,000, and builders are actively adding more. At 0.23 acres (80x125 ft) this is a standard build-ready parcel ready for your builder. Ideal for a spec home, a buy-and-hold investment, or your future primary residence — act now before the remaining lots are gone. High and Dry lot. We have a package of 14 lots available as a package deal — see the attached list for details. No wholesalers please.
