Description

Discover the stunning beauty of this impressive 3 bedroom / 3.5 bath condominium, designed with a modern flair that captivates the senses. Imagine yourself relaxing on the expansive screened lanai, where you can immerse yourself in breathtaking views of the bay and the enchanting Marco skyline at sunset. The heart of this home is the deluxe kitchen, meticulously updated to feature a striking one-level bar that serves as a focal point for gatherings. Adorned with luxurious granite countertops, this space is not only functional but also visually stunning. The kitchen showcases a beautiful tile backsplash that adds texture and style, along with high-end appliances that cater to the gourmet chef in you. Throughout the condominium, you'll find a harmonious blend of tile and wood floors that create a warm and inviting atmosphere. Modern light fixtures illuminate the spacious interiors, highlighting the open floor plan that flows effortlessly from room to room. The sophisticated owner's suite serves as a personal retreat, complete with a luxurious bath that promises relaxation and rejuvenation. On the opposite end of the condo, two additional bedrooms provide ample space for guests or family, each featuring its own lavish bathroom for convenience and privacy. Both bedrooms offer access to their own open lanai, allowing for a seamless indoor-outdoor living experience. Lesina is not just a residence; it's a magnificent tower that offers an array of world-class amenities to enhance your lifestyle. Enjoy the convenience of two well-appointed guest suites, a tranquil library for

quiet reading, and a social room for gatherings and events. The majestic lobby welcomes you and your guests with elegance, while the state-of-the-art theater provides entertainment at your fingertips. Stay active in the fully equipped fitness center and unwind in the opulent pool and spa, all complemented by secure underground parking and a host of additional features designed for comfort and convenience.
