Description

Enjoy effortless boating from this premium dry-storage slip, perfectly suited for vessels up to 27 feet in length, 9, 6" in beam, and 6 feet in height, with a maximum wet weight of 5,000 pounds. Ideally positioned for quick, unrestricted access to the Gulf of Mexico with no bridges to navigate, this location makes it easy to spend more time on the water and less time preparing to get there. Designed for convenience, the marina offers a true valet-style boating experience. Simply schedule your departure, and your boat will be launched, fueled, and stocked with ice upon request, ready and waiting when you arrive. Upon your return, the marina staff handles retrieval and secure storage, eliminating the hassles associated with traditional dock ownership. Owners enjoy access to a variety of first-class amenities, including a heated pool, private clubhouse, abundant parking, and on-site ice service. The covered dry-storage environment helps protect your vessel from sun, weather, and marine exposure while providing added security and peace of mind. Whether you're an avid angler, weekend cruiser, or seasonal resident seeking a convenient boating solution, this rarely available slip presents an outstanding opportunity to enjoy a low-maintenance waterfront lifestyle in one of Naples' most sought-after boating destinations.
