Description

Lovely 2 bedroom, 2 bath condo! Enjoy peace of mind with no flooding concerns (upstairs) and the opportunity to customize the home to your taste. The seller is willing to replace the cabinet doors and hardware, upgrade the countertops to granite, and allow the buyer to select new laminate flooring prior to closing. Inside, you'll find vaulted ceilings, a spacious living and dining area, and a bright kitchen featuring newer appliances, including the dishwasher, microwave, and stove. Plantation shutters in the kitchen add charm and functionality. The primary suite offers a large walk in closet and a walk-in tiled shower, while ceiling fans throughout and neutral colored walls create a comfortable, move in ready atmosphere. Embrace the Florida lifestyle with access to a community boat dock for kayaking and small boats, scenic nature trails, and several catch and release lakes. Residents also enjoy an active social calendar with events such as lunches, dinners, karaoke, pickle ball, tennis, movie nights, and bingo, along with three community pools. Conveniently located close to one of the pools, this condo offers the perfect blend of comfort, convenience, and resort style living. Come choose your updates and move right in!
