Description

Seller willing to contribute up to $5,598 towards buyer's closing costs. Welcome to the Azalea Model — a stunning new construction home where modern design meets everyday comfort. With no HOA and a thoughtfully open-concept layout, this move-in-ready gem delivers high-end finishes at every turn. The chef-inspired kitchen is the heart of the home, showcasing quartz countertops, white shaker cabinetry with plywood box construction, dovetail drawers, and soft-close doors. Samsung stainless steel appliances, an oversized island, and designer recessed LED lighting complete the space — perfect for entertaining or quiet evenings in. Porcelain tile flows seamlessly throughout the entire home, offering a clean, low-maintenance aesthetic. The open living area features recessed LED lighting, a floor outlet, a whole-home water filtration system, vinyl insulated tilt-out windows, and structured low-voltage wiring for data and cable. Retreat to the spacious primary suite with a large walk-in closet and a spa-inspired bath featuring a double vanity with Corian countertops, undermount sinks, Moen designer faucets, elongated toilets, and custom designer wall tile. All bedrooms include LED lighting and ceiling fan pre-wiring. Step outside to a large rear concrete patio overlooking a professionally landscaped lot fully sodded with Bahia grass — with rear yard space ideal for a future pool. Additional highlights: hurricane storm shutters, two-car garage with pre-wired door motor, ATU septic system in front, ample storage throughout, and full warranty coverage including a 2-10 Builder

Warranty plus a 1-year bumper-to-bumper builder warranty.
