Description

Exceptional opportunity to complete and customize this unfinished home located in desirable NW Cape Coral. Offering approximately 1,918 square feet of living space, this property features a well-designed split-bedroom floor plan with 3 bedrooms, a den/home office, 2 full bathrooms, and a 2-car attached garage. The thoughtfully planned layout provides an open and functional living space, with a private primary suite separated from the secondary bedrooms for added comfort and privacy. The den offers flexibility for a home office, media room, or additional guest space. A covered rear patio extends the living area outdoors and provides the perfect setting for future entertaining and relaxation. This home is currently unfinished and is being sold as-is, presenting a unique opportunity for investors, builders, contractors, or buyers looking to complete a property to their own specifications. Bring your vision and finishing touches to transform this house into a beautiful custom home. Conveniently located near shopping, dining, schools, parks, and all that Cape Coral has to offer. Don't miss this chance to add value and create the home you've been envisioning. *Please note this is unfinished construction and will need a well installed and remaining repairs to be finished.
