Description

Welcome to your private retreat! Nestled on a beautifully landscaped 2.5 acre lot surrounded by mature trees and lush tropical greenery, this stunning single-story residence offers the perfect blend of modern comfort, privacy, and timeless curb appeal. Inside, you'll find bright, open living spaces filled with natural light. The heart of the home is a recently remodeled chef’s kitchen featuring an oversized quartz island, custom cabinetry, and premium stainless-steel appliances. Designed for entertaining, the kitchen opens seamlessly to surrounding living spaces, creating a warm and inviting atmosphere. Lounge by the beautiful fieldstone fireplace, shoot a game of pool, enjoy movies in the media room or head outside to enjoy the pool and hot tub. If a media room is not your desire, make it a primary bedroom. This home is an entertainer’s dream, with little to worry about with a whole home Generac generator, impact windows/doors, and one year old roof. Three-car garage provides plenty of room for an automotive enthusiast's vehicles and storage. Three outbuildings provide many opportunities including an air-conditioned living area with porch, perfect for a home office; a stable has space for animals with a fenced area in back. Don’t worry about how you will cut the grass as a John Deere lawn tractor will remain on property. Whether you're sipping your morning coffee, hosting friends, and family, or simply relaxing in the tranquility of nature, this property offers the lifestyle you've been searching for in a location close to beach, dining and shopping.
