Description

Welcome to 432 Piedmont St, a concrete block home that’s ready for you to move right in, with no HOA. Fresh paint inside and out gives this home a clean, bright feel from the moment you walk through the door, and custom mouldings throughout add an elevated touch. The kitchen is the heart of the home, featuring vaulted ceilings, espresso cabinetry, granite countertops, and an island with plenty of seating for meals, homework, or entertaining. A huge pantry keeps everything organized and out of sight. This 3 bedroom plus a den, 2 bath home offers 1,563 square feet of living space with generously sized bedrooms. The versatile den can be used as a home office, playroom, or guest space. The attached two car garage adds plenty of room for storage, tools, and toys. Step outside to a fully fenced yard, shaded by a large mature tree. It’s a great setup for pets, play, or simply relaxing outdoors. Located in flood zone X, this home also comes with the peace of mind of newer construction, which means less upkeep and more time to enjoy where you live. *Some photos have been virtually staged.
