Description

Located in the highly desirable Bay Beach community, this Royal Pelican residence offers an exceptional combination of amenities, location, and convenience. Just a short walk to beach access, this well-maintained 2-bedroom / 2-bathroom condo is being sold turnkey furnished and ready for immediate enjoyment as a primary residence, vacation getaway, or investment rental property. The spacious floor plan includes two private lanais—one accessible from the primary bedroom and the other from the living room—providing the perfect spaces to relax and enjoy the coastal lifestyle. Additional features include laminate wood-look flooring, a full-size washer and dryer, one assigned/deeded outdoor parking space, and a new A/C system installed in 2022. Royal Pelican residents enjoy an impressive selection of amenities, including two swimming pools, shuffleboard, a clubhouse, fishing pier, pickleball courts, tennis courts, and walking trails. Beach access is conveniently located just across Estero Boulevard. Situated on the sought-after south end of Fort Myers Beach, the property is within walking distance of Santini Plaza and offers easy access to Lovers Key State Park, Bonita Springs, and Naples.
