Description

This second-floor corner unit condo is ideally situated just steps from the community pool and offering tranquil water views of the pond. Recent improvements include new luxury wood-grain vinyl floors that run throughout and a stunning custom-built living room shiplap wall featuring an integrated TV, fireplace, and bookshelves. The reimagined interior opens up seamlessly; the kitchen wall was removed to open the flow into the dining area, and ceilings were upgraded with modern new recessed lighting, window treatments of custom plantation shutters, and remote-controlled roller blinds were added. The walls are freshly painted with a chic Windsome Grey, making the home feel bright, warm, and expansive. The living space has also been enlarged by bringing the lanai indoors, complete with a new hurricane front door and impact sliding windows. Add a touch of resort-style living as an added luxury with the current owner holding a transferable membership at the exclusive Tarpon Cove Beach & Racquet Club - featuring amenities of dining, tennis, bocce, fitness, pool, tiki bar, and boat taxi to the beach. Membership can be transferred to a buyer for a $12,500 fee. Inquire today for details or to arrange a day pass! Boat slip for rent or purchase, is separate from this Condo.
