Description

Don't miss this cozy two-bedroom mid-century gem nestled between McGregor and the river. Priced well below the million-dollar homes around it, this home offers terrazzo floors, a flexible bonus room, a screened patio, an open porch, impact windows, an interior laundry room, and an oversized fenced backyard. Perfect location, endless potential - just add your personal touch! Priced under lot value! The location is one of the best for convenience to both downtown, Bell Tower Shops, Fine Arts Theatres, restaurants, beaches and so much more. It's perfect for a full time home or for snowbirds. Either way, this is a great buy and the person with a good eye will realize it's full potential!
