Description

Fantastic opportunity to be in the heart of Marco Island in the low-density complex of Villa Del Mare on beautiful Smokehouse Bay. This private, end unit is competitively priced and is ready to be made like new again. Featuring a light and bright floor plan with nearly 1,400 square feet of living space, two bedrooms, two baths (the primary bath has been updated) and a spacious exterior terrace that overlooks the bay and pool. Added value of having a full-sized washer and dryer in residence, in addition to a covered parking space and storage closet. Convenient location within five minutes to the island hotspot, The Esplanade, area shopping and grocery stores, restaurants, entertainment and more. Lovely on-site amenities include a spacious community pool where you can soak in the sun and views, a common dock for boating and a common elevator. This property is extra special, as it was the last home of Marco Island’s beloved Herb and Emily Savage.
