Description

Perched on the eighth floor of South Seas West, this two-bedroom, two-bath residence offers sweeping, unobstructed views of the Gulf, the Bay, and the island beyond, all from a single vantage point. From the moment you step inside, the southwest exposure draws your eye straight to the water, casting warm afternoon light across the open living and dining area. The spacious living room flows naturally onto a 26-foot open balcony - the kind of outdoor space where morning coffee and evening sunsets become part of your daily rhythm. The split bedroom floor plan ensures privacy and comfort for owners and guests while impact resistant windows and doors provide peace of mind year-round, and with the home offered turnkey furnished, you can move in and start enjoying Marco Island from day one. South Seas West elevates the experience further, a beachfront pool steps from the sand, a private boardwalk to the beach, fitness center, tennis and pickleball courts, and boat slips available for lease with direct Gulf access, all within a secure gated community. Whether you're searching for a personal retreat or a sought-after investment, this is Marco Island at its best.
