Built in 2021 and comprised of just 22 residences, the building delivers both exclusivity and everyday convenience. The interior is defined by an open-concept layout where the living and dining spaces transition effortlessly into a gourmet kitchen outfitted with quartz countertops, a natural gas Wolf range and Sub-Zero appliances. Elevated ceilings and expansive impact glass invite abundant natural light, while a private balcony extends the living space outdoors. Both bedrooms are generously sized and filled with natural light, offering flexibility to accommodate a variety of design styles or uses. The residence is offered furnished, providing a true turnkey opportunity. Residents enjoy a thoughtfully curated amenity package including an interior pool deck, lush courtyard green space and a rooftop outdoor patio featuring a built-in grill, fire pit and multiple seating areas designed for relaxation and entertaining.
