Experience exceptional waterfront living in this fully renovated condominium offering direct Gulf access and panoramic canal views. Completely rebuilt from the studs during an extensive 2025/2026 renovation, this highly sought-after residence combines modern luxury with premier boating convenience in the heart of Naples. The open-concept floor plan features wide-plank luxury vinyl flooring, LED recessed lighting, and impact-resistant sliders, windows, and front door throughout. The chef’s kitchen serves as the centerpiece of the home with quartz countertops, custom white shaker cabinetry, an oversized island, and stainless steel appliances. The spacious living and dining areas flow seamlessly to a private screened lanai with desirable southern exposure, providing abundant natural light and peaceful views of the deeded boat docks and navigable canal. Enjoy immediate deep-water, no-bridge access to the Gulf directly from your residence. Both the primary and guest suites feature upgraded en-suite bathrooms with frameless glass showers and thoughtful cross-ventilation design. This is not a cosmetic renovation. Major upgrades include new electrical, plumbing, air ducts, walls, bathrooms, flooring, lighting, foundation improvements, water main, and additional substantial interior system updates. Ideal for boating enthusiasts, seasonal residents, or investors seeking a waterfront property just minutes from Fifth Avenue South shopping, dining, and Naples’ world-famous beaches.
