Description

541 Gulf Lane – Steps to the Sand with Sweeping Water Views & Resort-Style Outdoor Living. This retreat offers the kind of beachside life that feels effortless from the moment you arrive. This beautifully positioned 3-bedroom, 2-bath half-duplex captures spectacular water views from every level, making the Gulf part of your everyday backdrop—from morning coffee to sunset unwinding. Designed for relaxed coastal living, this getaway features a bright, open gathering space filled with natural light and framed by views of the Gulf and sunsets. The living, kitchen, and dining zones are beautifully decorated and fully furnished. The primary suite offers a peaceful private escape, complete with a jetted soaking tub—perfect for relaxing after sun-filled beach days and evening walks along the shore. On the second level, the large guest room offers fantastic water views and a private sun deck facing the Gulf. A third guest bedroom is just around the corner, tucked into the eaves, sharing a large guest bath with a tub/shower combo. Outside is where property truly comes to life. A private pool and hot tub, expansive sun deck, and poolside bar create a resort-like setting designed for entertaining, relaxing, and making memories with family and friends. A convenient ground-level 1/2 bath and a dedicated laundry area make transitions from the beach to the pool effortless. Set along one of North Captiva's most desirable beachside lanes at a really high elevation, the home offers immediate access to the Gulf's sugar-sand shoreline, with its separate 1/2-

interest in a deeded beach access lot. Whether you're seeking a personal island getaway, a vacation rental investment, or a place to gather for years to come, 541 Gulf Lane delivers the rare combination of location, views, and the laid-back luxury that defines North Captiva living. The adjacent 1/2 Duplex (543 Gulf Ln) is also available for purchase so that you can own the entire property!
