Description

Step into over 2,000 square feet of beautifully designed, spacious living in this four bedroom, three bath home. With a smart layout that offers both comfort and functionality, this property is perfect for families, guests, or anyone who loves room to spread out. Enjoy lazy afternoons in your above ground pool or just relax in the shade on your screened in lanai. This home features hurricane impact windows (2022) throughout, providing peace of mind during storm season and improved energy efficiency year round. A newer roof (2020), hot water tank (2026), and well pump (2025) adds even more value, ensuring long term durability and reduced maintenance worries. Tile and LVP flooring throughout. Inside, you’ll find bright, open living spaces, generously sized bedrooms, and well appointed bathrooms. Whether you're entertaining in the main living area or enjoying quiet time in your private primary suite, every corner of this home feels inviting and thoughtfully designed. Move in ready, well maintained, and built for Florida living — this is the home that checks all the boxes. Flood insurance is transferable!!!
