On a quiet cul-de-sac street, the home is bathed in natural light throughout the day and delivers breathtaking sunset vistas each evening. Designed for the discerning buyer seeking a move-in-ready luxury home in Naples, this residence features a spacious great room layout complemented by climate-controlled three-car garage, full-house generator and three beautifully appointed full baths. The chef’s kitchen has been thoughtfully reimagined with premium finishes and appliances, including striking 4-inch quartzite counters, exquisite marble honed mosaic tile, large center island, a Sub-Zero refrigerator, built-in wine cooler and two beverage cooler drawers, Induction cooktop, and double wall ovens. Recent upgrades include a 2017 roof, dual HVAC systems (2022), water heater (2024), and generator (2018), ensuring modern efficiency and reliability.
