Description

This 0.19-acre residential lot at 11153 2nd Avenue presents a fantastic opportunity for builders, investors, or end-users looking to create their dream home in a growing area. With low property taxes and plenty of potential, this parcel offers flexibility to design and build to your exact specifications. Conveniently located near shopping, dining, and major roadways, while still offering a peaceful setting. Please note: The property has not undergone an environmental study. Buyers are encouraged to perform their own due diligence.
