Description

CLEAN & CLEAERED, build-ready lot with a UTILITY POLE already in place — a major advantage for saving time and reducing setup costs. This property is ideal for builders seeking a straightforward project with minimal site prep. Flat and cleared, it provides an easy foundation for construction with convenient access and fewer obstacles than typical vacant land. Perfect opportunity for builders looking for one of the easiest lots to build on — streamline your process and get started faster with this ready-to-go parcel.
