Description

NEW CONSTRUCTION – NEARING COMPLETION! This beautiful home is currently under construction and is expected to be completed in approximately 30 days! Updated photos have been added to showcase the home's current stage of construction, along with AI-generated interior renderings based on the actual finishes and selections that will be installed throughout the home. Offering 1,961 square feet of living space and 2,573 total square feet, this thoughtfully designed home features 4 bedrooms, 2 bathrooms, and a versatile dining/flex space that can serve as a formal dining room, home office, or additional living area. The spacious, open-concept floor plan features 10-foot ceilings throughout and an impressive 11-foot tray ceiling in the main living area, creating a bright and inviting atmosphere. The kitchen opens seamlessly to the living and dining areas, making it ideal for both everyday living and entertaining. The primary suite offers a spacious walk-in closet and a beautifully designed bathroom featuring dual vanities and a walk-in shower. Additional highlights include a 2-car garage, functional living spaces, and modern finishes throughout. Conveniently located in Lehigh Acres with easy access to major roadways, shopping, dining, and everyday amenities. Don't miss the opportunity to own a brand-new home that's just weeks away from completion! *Please note: Interior renderings are AI-generated for illustrative purposes and are intended to showcase the selected finishes. Actual appearance and final details may vary.*
