Description

The Sea Mist plan offers a spacious, open-concept main living area that brings together the great room, dining area, and island kitchen for effortless everyday living and entertaining. The private primary suite features two walk-in closets just off the bedroom, which is highlighted by an elegant coffered ceiling. The primary bath is designed for comfort and convenience with dual sinks, a large walk-in shower, and a separate water closet. Additional features of the home include a dedicated office, a large laundry room, a generous covered lanai, a three-car garage, and a second full bath conveniently located between the two secondary bedrooms. The upgraded kitchen showcases quartz countertops, a center island, upgraded soft-close cabinetry with dovetail drawers, 42" upper cabinets, under-cabinet lighting, a designer-selected backsplash, and stainless steel GE appliances. Further enhancements include 8-foot interior doors, pocket sliding doors, recessed ceilings in the great room and primary bedroom, impact-resistant windows, and a screened-in lanai—adding both style and functionality throughout the home. The images are not an exact representation of this feature home and the feature home will not be sold furnished. This home is being built on Homesite 366.
