Description

Build your dream home on this spacious 0.26-acre residential lot in the rapidly growing area of Lehigh Acres. This property offers a great opportunity for builders, investors, or future homeowners looking for privacy and space with no HOA restrictions. Conveniently located with easy access to main roads, shopping, dining, and schools. Whether you’re ready to build now or invest for the future, this lot is a smart choice in one of Southwest Florida’s fastest-developing communities.
