Description

Island living with views you actually want. This two bedroom, two bath, third-floor unit checks all the right boxes, without the usual compromises. Skip the carpet and keep it clean with hard surface flooring throughout, ideal for easy maintenance and coastal living. Elevator access, no stairs and a covered, assigned parking spot in the under building garage. The real star here? Peaceful views of native trees and Barfield Bay that bring in natural light and a daily dose of why don’t I do this more often? Whether you’re sipping coffee in the morning or unwinding to the sunset views in the evening, this is the kind of backdrop that never gets old. In a well managed, well regarded condominium complex, you’ll enjoy the confidence of solid upkeep and a community that actually runs the way it should. The community features a gorgeous pool, clubhouse and bayside gazebo with nature trail. Simple. Clean. Scenic. Exactly what Marco Island life should be.
