Breathtaking, unobstructed panoramic views of Venetian Bay, the Naples skyline and beyond set the stage for this extraordinary 15th-floor residence at Le Ciel Venetian Tower. Completely reimagined and masterfully renovated, every detail reflects exceptional craftsmanship, sophisticated design and the highest standard of finishes. Expansive 39-inch Inalco porcelain tile, designer lighting and dramatic high-gloss black doors with exquisite crystal knobs create a striking interior. Additional highlights include a sophisticated fireplace feature, automated window coverings, impact-rated windows and an abundance of concealed storage. The primary suite features separate dual baths, marble detailing throughout, a custom floating bathtub and spectacular boutique-inspired closets. A dedicated Mahjong/game room is a thoughtful addition, perfectly suited to the way we live and entertain in Naples. Additional conveniences include whole-home water filtration, second-floor deeded parking and private storage. Le Ciel Venetian Tower offers beautifully renovated lobbies and common areas, gated security, on-site management, a beachfront pool and spa, tennis, fitness center with sauna and steam rooms, guest suites and direct beach access. Ideally just moments from The Village on Venetian Bay, this exceptional residence combines extraordinary views, impeccable design and the best of Naples
