Description

Welcome to this beautifully designed Roseland model by Pulte, located in the sought-after Northridge at Babcock Ranch. This home was thoughtfully created for multi-generational living, offering a private in-law suite on the main floor along with expansive living spaces for gathering and everyday comfort. One of the true highlights of this home—and a favorite of the current owners—is the stunning kitchen, featuring an impressive oversized island and gas range, making it the perfect space for cooking, entertaining, and bringing everyone together. Upstairs, a finished loft provides additional flexible living space—ideal for a second family room, media area, or private retreat. There are 4 bedrooms upstairs, two separated by a jack n jill bathroom, a primary suite with a private work out area or den attached, and another bedroom currently being used as a playroom. Step outside to enjoy the oversized screened lanai, offering plenty of room to relax, dine, and take in the peaceful lake views—a perfect extension of your living space. Designed with both comfort and convenience in mind, hurricane shutters, and custom built-in closets for enhanced organization, laundry room upgraded with built in cabinets With over 4,600 square feet, this home offers a rare opportunity for two families to comfortably coexist under one roof, while still maintaining privacy. It also serves beautifully as a spacious home for a large family needing room to spread out. The owners have truly loved this home and are sad to leave, which speaks to how special it is. Located in America’s first solar-powered town,

residents enjoy access to Babcock Ranch’s amenities, including parks, trails, pools, and a vibrant town center. A standout opportunity offering space, flexibility, and features not found in many comparable homes—including loft space, modern upgrades, and a lakefront setting.
